

WCPE 2016 – PINT OF PHYSICS EDUCATION

Tuesday (12/07/2016) at 8:00 PM

Dear all participants of the 2nd WCPE,

We are pleased to invite you to attend the **1st Pint of Physics Education**, the most interesting way to communicate Physics Education ever! We will have four scientist giving fun and interesting 15 min talks about researches in Physics teaching and learning in a nice pub drinking artisanal Brazilian beer!

The first hour will be divide in four small talks with discussions:

- "Inventing true stories —teaching physics" - by **Ian Lawrence**
- "Science and Worldview: an 1/4 hour cosmic tour" - by **Luiz Carlos de Menezes**
- "Drinking WZ with Higgs" - by **Marcia Begalli**

To be announced

The second hour is open to all of you, WCPE participants, to deliver 5 min talk to present your research. **The most entertained one will win one pint of beer!!**

Come!! Have fun and show your work in a different and amazing way.

Cervejaria Nacional is beautiful place not so far from the University of São Paulo. They will not charge entrance fee. Pay only what you will drink and eat.

Avenida Pedroso de Morais, 604
Pinheiros, São Paulo, SP
